# School Age Summer

We are offering TWO fun filled sessions this summer. Each four week session will offer: four special themes, field trips, on site events, a T-shirt, and fun, fun, fun!!

## **SUPER SUMMER ONE I AM WONDERFULLY MADE. JUNE 22 – JULY 17**

### **I AM UNIQUE**

God loves each one of us and wants us to grow into the unique individuals He created us to be. As we explore some of the ways we are the same and different we will learn about how to appreciate our uniqueness and celebrate that in others.

### **I CAN BE A FRIEND**

Friendship is a wonderful and often complex thing. As we discover what it means to be a friend we will learn how to nurture those qualities that make us a better friend. We will focus on friendship, teamwork, and cooperation and ways to make our world a friendlier place for everyone.

### **I AM LOVED**

Love is a word that is used often, but what does it mean? We will define love and focus on some of the ways we can know that we are loved. We will take a closer look at who loves us and how they show it, as well as ways to give love and receive it.

### **I CAN LOVE OTHERS**

The Bible instructs us to love one another. Opportunities to love others are all around us, but we don't always recognize them. While exploring ways to love and care for others, we will participate in a community service project.

## **SUPER SUMMER TWO GROWING AND SOWING. JULY 20 – AUGUST 14**

### **I AM GROWING**

God has given each of us a body and He expects us to take care of it. Focusing on health, hygiene, and nutrition; we will discover the importance of taking care of ourselves. Growing up healthy is a choice.

### **I CAN BE FRUITFUL**

God made each of us for a special purpose. He wants us to learn and grow and contribute to the world around us. Being fruitful means doing things that produce beneficial results. Even as children we can contribute to our home, classroom, and community by planting seeds of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

### **I AM LEARNING GOD'S WAY**

Continuing the concept from the previous week we will identify many choices and actions that plant seeds of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. These character traits that we call "the fruit of the spirit", are evidence that we are growing and learning God's way.

### **I CAN MAKE RIGHT CHOICES**

When we listen to the Holy Spirit and choose God's way, the Bible tells us that the results of our choices will be: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. These are the things that please God and make our lives happy and good.
